TEAM-E DIGITAL TECHNOLOGY CO., LTD

ABOUT US 关于天翌

There is a an excellent team in digital time...They are vibrant and creative, and carry spirit of times and fly in their creation world. Everyone has his dreams. They are happy to indulge in the virtual world in search of the perfect combination of digital and physical.They listen carefully to the voice from customers with heart, and restore customer's thinking by striving to use the most efficient working way and realistic interpretation.Compare to rapidly changing digital time, the only constant is their love and focus on profession.They deduce digital video every day in front of screen, at the same time, it is also a wonderful interpretation of their own lives.They are proud of to be a member of the elite team, and determine to impress TEAM-E in the pace of progress in the era.That is TEAM-E.

Established in February 2004, and original name is “Guangzhou Lifang Computer Image Design Co.,Ltd”, TEAM-E altered her name to “Guangzhou TEAM-E Digital Co., Ltd” in October 2012. During last 10 year's development, TEAM-E has 6 branches of digital product development and production, and 3 physical model manufacturing factories, and set overseas branches in Canada and Singapore for business development. Right now TEAM-E has 500 staffs and more than 80% technicians. The major business is to provide digital visualization service like 3D animation, architectural renderings, 3D digital city, digital platform development, interactive multi-media, physical modeling and etc.

TEAM-E is a large integrated cultural and creative enterprise of high-tech based, digital visual technology as the core, with science division, and systematic management, to provide customers with convenient and efficient one-stop service.

在数字为主流的时代里，有这样一支团队…他们怀揣时代精神，翱翔在创作的世界里；他们朝气蓬勃、活力四射，同时，也创意无限！团队里的每一个人都拥有自己的梦想，他们乐于沉浸在虚拟的世界里，追寻数字与实体的完美结合；他们用心去倾听客户的声音，力求用最高效的工作方式和最逼真的演绎，将客户的思想还原；数字时代瞬息万变，身处急流之中的一切都在改变着，唯一不变的，是他们对专业的热爱和专注；他们每天在屏幕面前演绎着数字影片，同时，也在演绎着自己的精彩人生；他们骄傲自己能成为这个精英团队中的一员，他们立志要把Team.e-印在时代前进的脚步里，这就是天翌。

公司成立于2004年2月，原名“广州市力方电脑图像设计有限公司”，于2012年10月正式更名为“广州天翌数字科技有限公司”。历经近10年的发展，现在国内拥有数字产品开发及制作分公司6家，实体模型制作工厂3家，设立加拿大办事处、新加坡办事处，主要提供数字视觉创意服务、数字平台开发的创作和制作服务、实体展示创意服务等。业务涵盖影视动画、多媒体展陈、建筑可视化、数字城市、虚拟仿真、实体模型等多个专业领域。

科学的分工，系统的管理，优质的技术和服务，是一家以高科技产业为依托，以数字视觉技术为核心，以文化产业为背景的大型综合创意企业。天翌拥有目前同行业中最为丰富完整的产品线，为客户提供便捷、高效的一站式服务！
